

Chevelle SS 1964-1972

A Muscle Car Source Book, Second Edition

ISBN: 978-0-9729869-3-9

Chevelle SS 1964-1972, A Muscle Car Source Book, Second Edition by Jeffrey Steffes is your resource of vital information when it comes to buying and restoring your Chevelle SS. A comprehensive guide to Chevelle SS identification: featuring VIN plate and body tag decoding, engine, transmission and differential identification, a complete listing of option and color codes for each year, and a chapter devoted to the history of the Chevelle SS. Finally, a chapter entitled "Is It a Real Super Sport?" will give you the ammunition needed to verify the authenticity of your Chevelle SS.

This softcover book, measuring 8-1/2" x 11" and filled with 128 pages of valuable information, color photos and illustrations, makes it a "must have" for the Chevelle enthusiast.
